RELAX AND UNWIND

HIGHLIGHTS: SPA DAY, EXPLORING GRASMERE AND AMBLESIDE, EASY WALK
(NO CAR NEEDED)

DAY ONE

Arrive and check in, welcome to total relaxation! Jump on the 555 bus outside the hotel entrance or take the short drive past Rydal water to the honeypot town of Grasmere. Famous for the gingerbread, you'll find this village full of charm and character. Pop into the Gingerbread shop and pick up a piece or two for your 'walk snack' later, you'll be taken back in time with this treat.

Wander around the winding streets exploring the boutique shops, from chocolate shops, art galleries and a customised tote bag shop to a garden centre; there's something for everyone to enjoy. Grab a hot drink and cake from Baldry's or Emma's Dell and before heading back to Waterhead for a short walk.

Pick up the Jenkin Crag walk from reception, perfect for autumn and winter walks, this route is at low level but offers a stunning view down the lake and takes no more than 2 hours, this can be shortened further by taking a bus for the last mile. We highly recommend exploring the beautiful scenery the Lake District is famous for.

On your return, grab an artisan coffee in the Waterhead bar before freshening up for dinner. Dine with us tonight, our on-site restaurant boasts all your favourites from steaks to chicken so get ready to bask in delicious dishes; pair with a well-deserved glass of prosecco or pint. For a real treat, try one of our tantalising puddings and liquor coffees.

RELAX AND UNWIND

DAY TWO

Start your day with a hearty breakfast at Waterhead overlooking the tranquil lake. Either take a short walk (30 minutes), jump on a bus or drive round the lake shore to Low Wood Bay. As a guest of Waterhead you have free access to the health club, unwind in the outdoor infinity pool, hot tubs, saunas and the steam room. For ultimate relaxation, The Spa at Low Wood Bay offers revitalising spa treatments and spa days, feel the tension melt away.

Distinct and flavourful, the lunch menu at Blue Smoke on the Bay is filled with enticing wood-fired dishes. Sit back and admire the view over Lake Windermere from the light and elegant conservatory.

Head back to Waterhead and enjoy a coffee or cocktail in the bar before getting ready for the night. A short walk into the centre of Ambleside offers a world of flavour, we recommend Doi Intanon Thai or Luigi's Italian for a relaxed atmosphere. The village of Ambleside is filled with bustling independent eateries, if you're looking for something in particular our reception team will be happy to advise.

Not ready for bed? Check out Zefferillis or Fellinis Cinema for a late night screening of the latest hit films or live streams from famous opera, ballet or art-house film events around the world.

DAY THREE

Appreciate a lie in and leisurely check out by 11am. Walk into Ambleside and discover the diversity, from local art to local spirits, Ambleside is filled with independent shops. We recommend visiting Kindred Spirits, Old Bank House Chocolate Shop and Bath House for gifts. When you're ready, walk back to Waterhead for a scrumptious lunch in the bar before setting off home.
